WESTSIDE BAPTIST
COMPLIMENT PASTOR
AT BIRTHDAY PARTY

The members of Westside Baptist Church find many ways to express their appreciation of their pastor, Reverend Welby Bozeman. The first year he served their church, by chance, someone learned that November 27th is his birthday; and each year since, a supper to which the entire church membership is invited, has been served at the church in honor of Reverend Bozeman.

On last Tuesday, the 27th, matters were complicated, due to the fact that a study course was being held at the church. Members of the W. M. U. appointed a dinnerette, composed of Mrs. J. A. Boutwell and Mrs. J. B. Clark to work out a surprise for the pastor's birthday. Each family of the church was given an opportunity to bring some food and contribute to a cash gift to be given to the pastor at a surprise social following the study course session.

Dr. Charles Graham, who assisted in conducting the study course, engaged Reverend Bozeman in conversation and the ladies hurriedly and quietly set up a long refreshment table, overlaid with white linen and centered with a lovely flower arrangement. Guests' places were marked with attractive cards etched in Christmas holly.

Baxter Bryan Dies Suddenly Of Heart Ailment Friday

A pall of sadness was cast over the town of Elba Friday morning when it was learned that Baxter Bryan had died at his home on Brantley Highway. Although he had suffered from heart disease for several years, he had gone about his regular activities and had slept well the night before his death. After he had eaten his usual breakfast Friday morning, he went to his car and supposedly left to attend to business in town. He returned to his home and died in the yard beside his car.

Mr. Bryan, age 65, was a native and life-long resident of Coffee County. He was born and grew to young manhood in the Newbia community. In December, 1919, he was married to Miss Sallie May Lee, daughter of the late Mr. and Mrs. R. E. Lee. He is survived by his widow, two sons, Thomas Baxter Bryan, Jr., of Jasper, Alabama, and Doctor R. M. Bryan, of Birmingham; two brothers, Doctor Ollie Bryan, of Lakeland, Florida, and W. A. Bryan, of Destin, Florida; two sisters, Mrs. Ester Johnson, of Jack, and Mrs. Beulah Young, of Elba; and four grandchildren.

In his young manhood, Mr. Bryan was engaged in farming and taught school in his home community. He was ordained and served as a deacon in the Newbia Baptist church. In the early 30's he moved to Elba and was connected with an Oil Service here a short time before becoming an oil agent for this area. He was one of the organizers and first stockholders of the Elba Exchange Bank. He served as cashier of that institution until he resigned to devote his entire time to his Oil Agency. He retired from that agency January 1962.

Mr. Bryan was active in the First Baptist Church, Saturday afternoon with Doctor Charles Graham, Reverend Wilby Boman, and Reverend R. L. Lawrence officiating. Burial was in Evergreen Cemetery.

Among the out-of-town relatives and friends attending the funeral were: Doctor and Mrs. Ollie Bryan of Lakeland, Florida; Mr. and Mrs. Fountain Ed. Lee of Troy; Doctor and Mrs. Emmett Brunson of Samson; Miss Mollie Bell Sawyer and Mrs. Trelle Hogg of New Brockton; Mr. and Mrs. Jack Dickert of Brundage; Tom Beale of Mobile; Miss Nell English of Montgomery; Judson Mayers of Pensacola, Florida; Mr. and Mrs. Bob Kyles, Mr. and Mrs. Gus Bryan, and Mrs. Cleo Evans of Troy; Mrs. Connie Fryer of Troy; Mr. and Mrs. J. E. Pittman and Miss Annville McKinnon of Enterprise; Doctor and Mrs. C. A. Caraway and Waite, Doctor W. H. Waite, Sr., and Doctor W. H. Waite, Jr., of Birmingham; Miss Lacie Elliot, of Fairfield; Mr. Ray Campbell of Warrior; Mrs. Evelyn Campbell, of Montgomery; Mr. and Mrs. Ralph Clark and Mr. and Mrs. George Hix, of Andalusia; Mr. and Mrs. James Hildreth of Enterprise; Mrs. Jess Kendrick, Mrs. Willie Brown, Mrs. May Kelley, and Mr. and Mrs. Wallace Kendrick of Panama City, Florida; Mr. and Mrs. Walter B. Bryan of Destin, Florida; Mr. and Mrs. Bill Baker and Mr. and Mrs. Gene Atkins of Auburn; Mr. Walter Whitman, Sr., of Troy; Mr. and Mrs. Sam Casey of Dothan, and Mr. and Mrs. Herbert Lee and sons, Dixon and Wintfred of Fort Walton, Florida.

SANTA CLAUS ARRIVES EARLY. Old Santa, himself arrived in grand style at the American Legion annual Christmas party Saturday night at the Legion Home. Santa presented all the children with gifts and fruit. A delicious dinner was served to the large crowd of legion members and guests and the approximately thirty-five children present. Coffee County Receives \$127,700 For Bridge Construction

State Highway Director Sam Engelhardt has revealed an extensive bridge construction program on various local roads in Coffee County. The total estimated cost of the six different projects is \$127,700. Engelhardt pointed out that this construction is designed to update the Coffee County road system to meet today's heavy traffic demands in this growing southeast Alabama county.

The contracts for all six projects have been awarded to J. E. Henderson, Edway, and construction is expected to begin shortly. One contract was awarded under the state-aid to county program and five are under the federal-aid program.

Agreements for the construction were made between Governor John Patterson and Engelhardt and Coffee County officials. The state and the county will meet on a 50-50 basis all costs not covered by federal aid funds.

The largest single project calls for the construction of a bridge on the county road from Lee via Big Creek to the Elba-Troy highway. This road is known locally as the Drexel Cook Road. Total cost for the 0.058-mile bridge is estimated at \$47,700. Also to be constructed is a \$10,000 culvert.

Another big project is the construction of bridge culverts on a county road from Elba northwest to the Opp-Brantley highway at Pine Level. Estimated cost of this construction is \$25,400.

An estimated \$19,800 project for the construction of bridge culverts is scheduled on the county road from the stockyards at Elba's western city limits southwest to Curtis.

A 0.014 mile bridge culvert costing an estimated \$18,000 will be constructed on the Boy Scout Road. This county road is from Clintonsville via Wesley Chapel to the Enterprise-Orank highway in the western section of the county.

The smallest project is the construction of a bridge culvert on the county road from Basin School via Brookland to the Covington County line. Cost of this project is estimated at \$5,300.
